Tosa City's

Visitor Guide

Found in Tosa.

In this town
the scenery and smiles encountered
will surely never be forgotten.

Enveloped in the scent of the tide,
the sea's shimmer greets me.
As the buntan pomelo trees sway in the breeze,
the setting sun illuminating over the harbor sets the heart free.

Listening to the sound of the waves,
unexpectedly encountering the smiles of the townspeople.
In that moment, touched by their kindness,
the journey draws a little closer to the essence of life.

There are reasons that beckon me to return to this town again.
As the gentle Tosa's breeze
and the warmth of its people gently await you.
